HISTORY

In 2010 Shri AJIT ANUPAM approved the firm with just five students and after a few months Er. Amit Anupam, the eminent professor of CHEMISTRY also joined him.

It was the only institute of its time which provided coaching for all Science subjects i.e. Physics, Chemistry and Mathematics under one roof. This small association became the foundation stone of the revolutionary Pre-Medical coaching institute after a year with well biology faculties and ASQUARE became a unite firm for Pre-engineering and Pre-medical aspirants.

ASQUARE is a symbol of united family of two devoted brothers, which has grown up to a large group of empire of more than 50 members as on date, with trust of more than thousands students since 2010. The Institute is in parallel with Indian values, spiritualism & hard work with the efficient faculties With this, the institute is on its "Path to Success..." by writing its success story and adding more episodes of splendid achievements year after year.

"EDUCATION Makes life self-reliant, it inspires man to live with dignity in the society."
By Shri. Narendra Modi....

VISION & MISSION

Hard-work and dedication can only leads to success because we believe if the key is in our hand why to be late to open the lock and the result could be bought by aim-full efforts...we give candidates only one saying.

"Efforts may fail but don't fail to make efforts".

CHAIRMAN'S MESSAGE

Dear aspirants I believe, to achieve your goal you need to have a small and tremendous suitcase of efforts because your efforts and hard-work will take you to the entity of your goal....

As atoms combines to form molecules and molecules combines to form a compound similarly I think aimful efforts with a specific direction unites and approaches you to destination, and the suitcase you have of efforts will lift your potential to the divine of success.

So candidates let not destiny write your success you write your destiny with your own hand

Students are the precious gems of future generation, Education can only sparkle the youth and make the youth to be self-reliant, self-dedicated and endure their performance and achieve the height of success.

The dream for many, a synonym of success, a firm for strugglers, is none other than **ASQUARE Medical & IIT-JEE Academy**.

EK NAYI SOCH !!!!!!!

Mrs. ARPITA BHARTI

M.Tech (E&TC)

DIRECTOR'S MESSAGE

My belief and my hard-work have bought me today to build the empire of our firm from a small roof which I led in 2010. I believe if I can, then definitely u can. So bache, nothing is impossible, as the word impossible itself says I'm possible... so students don't wait for the time to be the best, use the given time in best way. Pick your pen and begin the journey for **ENGINEERING & MEDICAL** and proudly join our **ASQUARE Medical & IIT-JEE Academy**.

Education is the passport to the future, for tomorrow belongs to those who prepare for it today...

Start your journey with **ASQUARE** and end with the suitcase of knowledge... And I **Mr. AJIT ANUPAM** ensures you of your success with confidence and dedication. Good luck in your incredible journey towards a bright future.

Shri. AJIT ANUPAM
ME (Electronic & Communications)

TEACHING METHODOLOGY

Testimonials

I choose Asquare because I could learn at my own pace. The teachers and administrators were very supportive throughout my studies. I could always rely on them for guidance and support. I am grateful to everyone at Asquare for helping me succeed in life.

JEE Advance AIR 1991 - Sahil Sanawane

I want to thank my teachers for always supporting me and believing in me. They have always simplified the complex topics and guided me towards my success.

JEE main AIR 439 - Dhanraj Bhosure

The ASQUARE Study Materials, filled the necessary gap to build a strong base of concepts. The competition gave me the necessary boost to work harder and with more determination.

AIT PUNE - Prathmesh Yadav

When I joined Asquare, 2 years ago, my physics was specially poor and I lacked confidence. But my teachers taught me, guided me and helped me overcome my lacking. I owe them my success and thank them for helping me get admission in government college.

GOV. MBBS - Shantanu Daphal

At Asquare, the environment is forever positive and I am grateful to my teachers who helped me in fulfilling my lifelong dream of becoming a doctor.

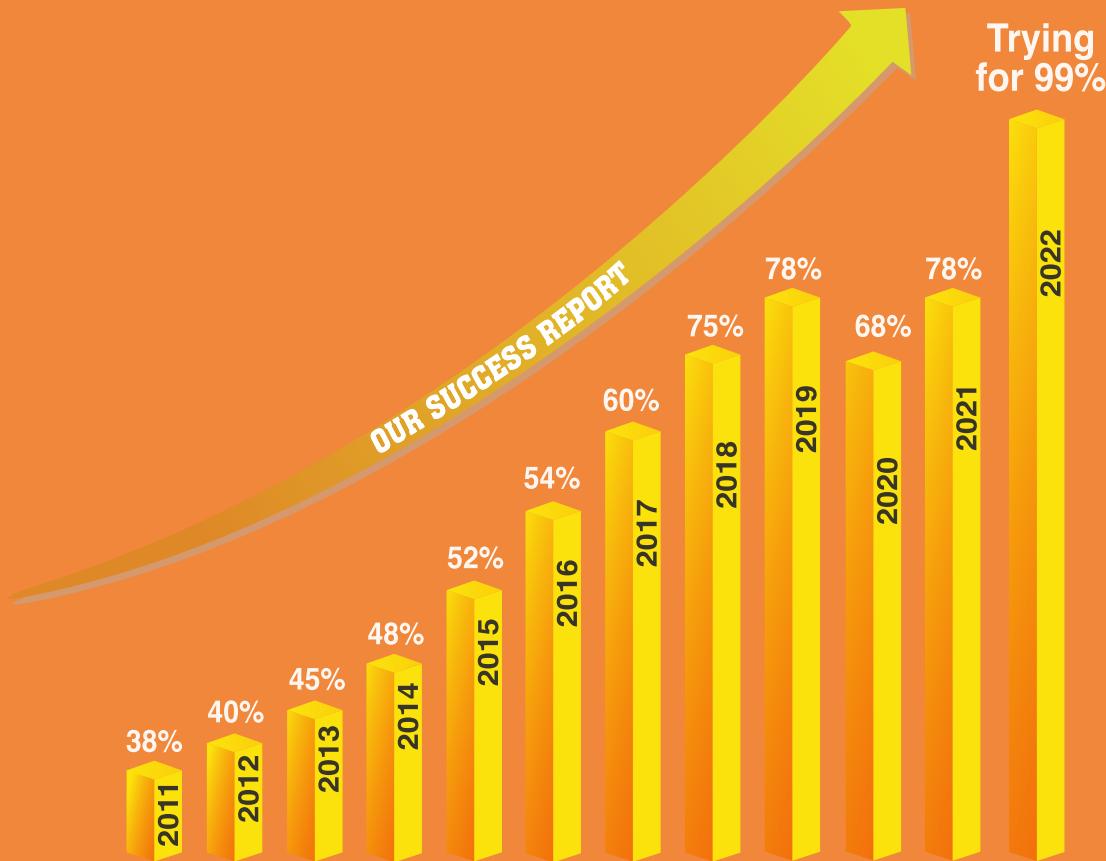

GOV. MBBS - Gopal Reddy

I am thankful to Asquare Institute for my achievements. The teachers helped me find out my weak points and guided me to rectify them. The test series and study material were extremely helpful to me.

GOV. MBBS - Twinkel
